W. PAYNE JONES

(250) 882-8198 | Victoria, BC | paynejones01@gmail.com | LinkedIn | GitHub

PROFESSIONAL EXPERIENCE

Seasonal Driver Helper | United Parcel Service (UPS) **Oct 2025 - Jan 2026**

- Supported high-volume parcel delivery operations in a fast-paced two-person workflow while maintaining efficiency under tight delivery schedules
- Verified addresses, delivery instructions, and package handling requirements to ensure delivery accuracy
- Adapted quickly to route changes, weather conditions, and fluctuating package volume
- Delivered professional customer service during residential and commercial deliveries

HEP Software Developer | University of Victoria Department of Physics and Astronomy **Jan 2025 - Apr 2025**

- Migrated legacy database systems using Python and SQL scripts while preserving data integrity and improving maintainability
- Designed, developed, tested, and maintained internal web applications using JavaScript, HTML, CSS, and PHP
- Upgraded and administered OpenStack cloud infrastructure to improve deployment reliability and system performance
- Automated system configuration and deployment tasks using Ansible and Jenkins CI/CD workflows
- Performed debugging, troubleshooting, and system maintenance across cloud and application environments

Tech Used: Python, PHP, MariaDB, OpenStack, Ansible, Jenkins, JavaScript, HTML, CSS

Technical Analyst Co-op | BC Ministry of Social Development and Poverty Reduction **May 2022 - Dec 2022**

- Developed and maintained frontend application features using React and TypeScript
- Implemented UI enhancements to improve accessibility, usability, and mobile responsiveness
- Deployed containerized applications through OpenShift in enterprise environments
- Performed debugging, issue resolution, and testing in collaboration with cross-functional development teams
- Gathered technical requirements and contributed to application delivery in Agile workflows

Tech Used: React, TypeScript, OpenShift, Android Studio, Xcode, HTML, CSS

Software Co-op Student | Department of National Defence **Jun 2021 - Aug 2021**

- Developed and maintained web applications using Vue and TypeScript
- Authored technical documentation to support long-term maintainability
- Built and optimized Oracle database queries to support backend functionality

Tech Used: Vue, TypeScript, Oracle, HTML, CSS

EDUCATION

Bachelor of Software Engineering | University of Victoria **Sep 2019 - Apr 2025**

Specialization: Cybersecurity and Privacy

Relevant courses: Data Mining, Security Engineering, Design Project

PROJECTS

Vike and Sell | SENG 499 Project **May 2024 - Jul 2024**

- Collaborated in a 10-person engineering team to build an e-commerce platform for UVic students
- Managed infrastructure reliability using MicroK8s and Redis caching
- Tested backend authentication with Pytest to improve application security
- Managed PostgreSQL and Elasticsearch systems for scalable data access
- Performed load testing using JMeter to evaluate resilience under traffic
- Generated and imported 50,000+ records using Python for realistic test environments
- Recommended and implemented PGSync for PostgreSQL–Elasticsearch synchronization

Tech Used: Python, PostgreSQL, Redis, MicroK8s, Elasticsearch, Pytest, JMeter

TECH SKILLS

Languages: Python, JavaScript, TypeScript, Java, C, SQL
Frontend: React, Vue, HTML, CSS
Backend / APIs: Python, PHP, REST APIs
Databases: PostgreSQL, Oracle, Redis, MariaDB, Elasticsearch
Cloud / DevOps: Docker, Kubernetes, MicroK8s, OpenShift, OpenStack, AWS, Azure, Jenkins, Ansible
Testing: Pytest, JMeter, Postman, Unit Testing, Integration Testing, Load Testing
Development Practices: Agile, CI/CD, Debugging, Troubleshooting, Documentation, Version Control
Data Analysis: MATLAB, R
Systems: Linux (Ubuntu, Fedora), Windows, macOS
Productivity Tools: MS Suite (Word, Excel, PPT, Outlook), Google (Docs, Sheets, Gmail), Jira, Notion
Communication: Zoom, Teams, Slack, Discord

VOLUNTEER EXPERIENCE

Intern | Saanich Parks and Recreation **Jul 2017**

Volunteer | Upside Teen Center **Jan 2017 - Jun 2017**

Teen Leader | Saanich Parks and Recreation **Jul 2015 - Jul 2016**

TRAINING, CERTIFICATES AND EXTRACURRICULAR ACTIVITIES

Duke Of Edinburgh Bronze **Jul 2017**
Red Cross Emergency First Aid Level C **Jul 2021**
World Rugby Referee Level 1 **Apr 2017**

HOBBIES / INTERESTS

Rugby | Bagpipes | Cooking | Gaming
